

Lifetime High Impact Resistant Warranty

EXCLUSIVE RIDER TO WEATHER WALL CUSTOMERS BY WEATHER TIGHT CORPORATION, WEST ALLIS, WI

Should Weather Wall Insulated Vinyl Siding crack for any reason associated with normal ownership, Norandex will replace damaged panels and accessories including the cost of labor to repair, at no cost to the homeowner.

This warranty rider does not cover damage caused by negligence or negligent acts of the homeowner or others, and is limited to the labor and materials to repair up to one square of siding. Hail damage is covered in accordance to the terms of the standard warranty.

This warranty is for the Lifetime of original purchaser according to the terms and conditions of the original warranty, and will transfer to the next homeowner according to the terms and conditions of the original warranty. The warranty extends only to the person(s) identified as owner(s) and is only available for residential projects. This warranty is not available for commercial, governmental, or multi-housing projects. This warranty may not be modified verbally and includes only the terms identified above.

This warranty is a supplement to the warranty given by Norandex.
